

Trent Arterberry & the Toronto Fringe Festival  
present the Toronto Debut  
of

# ThinkBigg

**"A perfect children's performer...  
He can have kids in awe one moment,  
and then suddenly reduce them to  
fits of giggles with a single glance."**

- Mooney On Theatre

**"Proven crowd-pleaser"** Trent Arterberry brings his globe-trotting, world-class comedy **THINK BIGG**, to Toronto audiences for the first time in a BIGG way. Combining mime, storytelling and puppetry to create a series of kid-friendly stories and characters, **THINK BIGG** is hilarious physical theatre with thoughtful, inspiring reflections on the importance of learning and the power of the imagination. It's happening at **FringeKids! July 2-13** at the **Palmerston Theatre**. Tickets are available beginning June 12 via [www.fringetoronto.com](http://www.fringetoronto.com) by telephone at **416-966-1062 (ext.1)**, or **at the door**.

For over three decades **Trent Arterberry** has been delighting the young and young-at-heart with his multi-media mime and

merriment. **THINK BIGG**'s medley of comedy, music, Roboman, and Mr. Bigg, a 3 ft. "mini-me" who grooves to rap and Russian folk tunes alike, will prove why Arterberry has earned such honours as **Performing Artist of the Year** (US National Association of Campus Activities) and **Best Local Performer** (Victoria Fringe Festival).

**"Arterberry's genius is... two-fold – storytelling that doesn't patronize  
and the agility to make it vastly entertaining."** – Monday Magazine, BC

Trained with performance masters such as Marcel Marceau, **Arterberry** has gone on to earn rave reviews and distinctions for his work around the world. He's performed everywhere – from Radio City Music Hall to underwater! – and **Arterberry** now returns to his first love - performing for children. His ability to vividly illustrate the universality of the elemental language of gesture is a lesson he's shared at thousands of schools throughout the Atlantic Northeast, Pacific Northwest, Mexico, Far East, and beyond. Lucky for us, he's bringing it back to Toronto! [www.think-bigg.com](http://www.think-bigg.com)

**"Arterberry is funny without being cute, and like a cartoonist his lines of gesture and  
movement are broad but precise and speedy as a whiplash."** – Boston Globe, MA
