

The Bigg Show

“absurdity and magic”
MONDAY MAGAZINE

It's comical storytelling. Masterful mime. Compelling music and hilarious puppetry. Quite simply, Trent Arterberry's *The Bigg Show* is something kids love—and adults won't want to miss!

By turns, Arterberry fills the stage with a collection of intriguing characters. *Roboman* discovers the limits—and extraordinary reaches—of his own body. *Scuba Dude* fends off sharks in a slow-motion undersea adventure, only to nearly succumb to

the pain of a broken heart. The three-foot-tall human puppet, *Mr. Bigg*, dances to a dizzying medley of musical styles from rap to Russian folklore.

Through it all, Arterberry's remarkable physical skills and irrepressible playfulness alternately inspire waves of laughter and amazement. There's drama, comedy, subtle lessons and outrageous lunacy to spare in Trent Arterberry's *The Bigg Show*.
